September 14, 1999

Jane Henney, M.D.
Commissioner of USFDA
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Dr. Henney:

Please add my name to the list of concerned people who want to know the true contents of their food. I don't think I need to state how frightening this information on GMO is to me. I am sure your mail box is full of letters from people who are just as concerned.

Sincerely,

Carol P. Johnson

EXCUTIVE SECRETARY
